Luxury Airlaid Hand Towels - Case of 400

Variant code: 01-102475

Luxury Airlaid Hand Towels provide a premium hand drying solution designed to enhance washroom presentation and user comfort in professional environments. Combining exceptional softness with high absorbency, these airlaid towels deliver a superior drying experience while supporting hygiene and efficiency in commercial washrooms.

Manufactured using high-quality **airlaid material**, the towels offer a cloth-like feel with excellent absorbency for fast and effective drying. The practical **quarter-fold design** allows for controlled dispensing of one unfolded towel at a time, helping to reduce waste and minimise cross-contamination. Supplied in a convenient **case of 400 towels**, they provide a cost-effective premium solution for businesses seeking to maintain a high-quality washroom experience.
