Rubbermaid Hygen High Performance Microfibre Flexible Duster - White

Variant code: 14-Q852

Flexible dusting tool. Velcro type assembly and elastic band keep sleeve well fastened. Quick-connect mechanism converts this hand-held duster into an extended cleaning tool. Can be used dry or damp. For more heavily soiled areas and hair removal. Extremely durable, the sleeves can withstand 500 washing cycles at 90°C and 500 drying cycles at 60°C and 200 cycles with bleach.
