

Hillbrush Lightweight Metal Squeegee – 558mm – Each

Variant code: 11-SQ6356

Lightweight metal squeegee. The double 100% mousse rubber blade on this little squeegee is particularly good for moving a lot of water off smoother hard surfaces. The steel frame is chrome plated for corrosion resistance. Recommended handles, 11-A48/1. A bolt and nut pulls the socket tightly onto the handle.
