Hob Brite - 250ml

Variant code: 04-202

Hob Brite Hob Cleaner is a **powerful cream cleaner** designed to remove stubborn burnt-on food, grease and cooking residues from suitable hob surfaces. Its specialist cleaning formula helps restore a **sparkling clean finish**, making it a practical solution for maintaining the appearance of hobs in domestic kitchens, staff kitchens and other food preparation environments.

The **effective cream formulation** works to loosen and remove tough cooking deposits that can accumulate during everyday use. Particularly useful for tackling **burnt-on food and greasy marks**, it provides targeted cleaning without the need for a separate general-purpose kitchen cleaner. Regular cleaning helps maintain a neat, polished appearance and reduces the build-up of stubborn residues.

When used regularly, Hob Brite is designed to build up an **invisible protective film** on the hob surface, helping protect against future staining and making ongoing maintenance easier. Supplied in a convenient **250ml bottle**, it offers a straightforward solution for routine hob cleaning and care. For best results, use according to the manufacturer's instructions and check compatibility with the hob surface before application.

Product Features
