Hygen Flexi Frame

Variant code: 14-Q855

Clean faster and more effectively with this flexi frame which conforms to curved surfaces for better pickup of dirt and debris. Nylon frame flexes to clean both contoured and flat surfaces. Patented arc shap pulls dirt, hair and debris towards the centre for better pickup. Propietary flexible compound will not crack or split, even when used with bleach or peroxide. Will fit any of the HYGEN handles or can be used by hand.
