Hygen Microfibre Scrubber Mop Head - 40cm - Yellow

Variant code: 14-Q4741

Rubbermaid's Hygen 40cm Microfibre Scrubber Mop is ideal for achieving high sanitary standards in the home or workplace. It's durable design, capable of withstand up to 500 wash cycles, and patented zig-zag scrubbing pattern ensure that cleaning floors and removing tough, dried on stains is a breeze

Features and Benefits:

- Patented zig-zag scrubbing strips make easy work of tough, dried on stains
- Reduces water usage by up to 90% when compared with traditional damp mops
- Mops can be colour-coded with the use of attached ribbons, reducing the potential risk for cross contamination
- Attaches to mop head using Velcro
- High absorbency mop that is capable of holding up to 0.7L of fluid
- Bleach-safe microfibre can withstand high-PH cleaning detergents
- Can be laundered up to 500 times; 200 with bleach
