Hygiemix Screw-in Socket Mop - 180g - Red

Variant code: 15-HM180R

Hygiemix Looped End Screw-In Socket Mop - 180g is a **hardwearing professional floor mop** designed for effective wet cleaning in commercial and hygiene-sensitive environments. Made from a unique **50/50 blend of bleached cotton and synthetic polyester yarns**, it combines excellent absorbency with improved strength and durability.

The **circular mop head** features a stayflat band that maintains its shape, helping the yarn spread across a larger floor area for efficient cleaning. Its **looped-end yarn construction** helps prevent linting and tangling during use, supporting consistent floor coverage.

Featuring a **colour-coded band** to support hygiene procedures, this reusable mop head is suitable for regular professional floor maintenance. Its washable construction makes it a practical choice for demanding cleaning routines.

Product Features

- **50/50 cotton and synthetic yarn blend** for absorbency and strength.
- **Circular mop head** for effective floor coverage.
- **Looped-end yarn** helps prevent linting and tangling.
- **Stayflat band** maintains the mop's shape.
- **Colour-coded band** supports cleaning area segregation.
- **T1D socket fitting** for compatible hygiene handles.
- **Launderable up to 60°C** for repeated use.

Product Benefits

- **Excellent absorbency** supports effective wet mopping.
- **Durable yarn blend** withstands frequent cleaning.
- **Wider floor coverage** improves cleaning efficiency.
- **Reduced linting** helps maintain cleaner surfaces.
- **Colour coding** supports cross-
