Hygiemix Socket Mop - 300g - Blue

Variant code: 15-HM300B

Hygiemix T1D Looped End Socket Mop - 300g is a **hardwearing professional floor mop** designed for effective wet cleaning in commercial and hygiene-sensitive environments. Made from a unique blend of **bleached cotton and synthetic polyester yarns**, it combines excellent absorbency with improved strength and durability.

The **looped-end yarn construction** helps prevent linting and yarn tangling during use, while the integrated **stayflat band** maintains the mop's shape and spreads the yarn across a larger floor area. This improves floor coverage and supports efficient, consistent cleaning.

Designed for repeated use, the mop offers a practical solution for demanding cleaning routines. Its **T1D socket fitting** allows attachment to compatible handles, while the washable construction helps extend the mop's service life.

Product Features

- **Cotton and polyester yarn blend** for strength and absorbency.
- **Looped-end yarn** helps prevent linting and tangling.
- **Stayflat band** maintains the mop's shape.
- **Wider floor coverage** for efficient wet mopping.
- **T1D socket fitting** for compatible handles.
- **Hardwearing construction** for regular professional use.
- **Launderable up to 60°C** for repeated cleaning.

Product Benefits

- **Excellent absorbency** supports effective wet cleaning.
- **Durable yarn construction** withstands frequent use.
- **Reduced linting** helps maintain cleaner floors.
- **Stayflat design** improves cleaning coverage.
- **Washable mop head** supports hygienic
