

Easy Ice Large Disposable Instant Pack – 30 x 13cm – Pack of 10

Variant code: 21-FAD2124

Provides on-the-spot cold therapy for bruising, muscle injuries, relieving pain and reducing risk of swelling around injury.

Larger size allows the ice pack to be wrapped around injuries and target larger muscles.

Ideal for use by physiotherapists and for sports sprains. Easy to use – no need for precooling.

Single use, Disposable.
