Interfold Hand Towels - 1 Ply - Natural - Case of 3600

Variant code: 01-345

Interfold Hand Towels are economical and hygienic **1 ply folded hand towels** designed for efficient hand drying in busy commercial and public washroom environments. Manufactured for high-traffic facilities, these durable towels provide reliable everyday performance while helping reduce operational costs and towel waste.

The **interfold dispensing design** supports controlled single-sheet presentation, helping minimise over consumption and reducing the risk of cross-contamination by presenting a fresh towel to each user. Manufactured using durable **1 ply natural paper**, the towels provide dependable absorbency for regular hand drying applications while supporting cost-effective washroom management.

Supplied in a practical **case of 3600 towels**, these folded hand towels offer an efficient bulk solution for workplaces requiring reliable hygiene consumables and reduced refill frequency. Their natural finish and economical construction make them particularly suitable for businesses and public facilities seeking practical and affordable hand drying solutions.

Product Features

- **1 ply interfold hand towels**
- Natural paper finish for economical everyday use
- Hygienic **single-sheet dispensing** format
- Durable construction for reliable hand drying
- Designed to reduce towel waste and overconsumption
