

Interfold Hand Towels 1 Ply – Natural – Case of 3600

Variant code: 01-345

Tough 1 ply interfold hand towel. Best option for schools and other high use areas. Like all interfold towels, it dispenses easily, presenting a new flap to the next user, and offers excellent value for money. These towels have a natural colour with no bleaching or dyeing process; which means they are better for the environment.

For a cheaper alternative, please consider using the 01-349 interfold hand towel in cases of 5000
