IVO Pad Holder for Powerbrush XL

Variant code: 16-XLPH

The **IVO PowerBrush XL Pad Holder Drive Board** is a genuine replacement pad holder designed specifically for the **IVO PowerBrush XL**. Engineered to securely hold floor cleaning pads in place, this durable drive board enables efficient scrubbing, polishing and maintenance cleaning across a wide variety of hard floor surfaces.

Featuring a robust hook-and-loop (Velcro®) style fastening system, the pad holder allows quick and secure attachment of compatible cleaning pads, making it easy to change between scrubbing, polishing or buffing applications. Its balanced design ensures even pad contact with the floor, delivering consistent cleaning performance while helping to maximise pad life and machine efficiency.

Manufactured for demanding commercial environments, the genuine IVO PowerBrush XL Pad Holder Drive Board is built from durable materials to withstand everyday professional use. Easy to install and remove, it provides a reliable solution for maintaining the versatility and performance of your PowerBrush XL floor cleaning machine.
