

iVo Power Brush XL Kit inc Large Soft Brush, Small & Large Tough Brushes, Pad Holder, Soft, Medium & Scrub Pads, Battery, Charger & Storage Bag

Variant code: 16-IPBXL

iVo Power Brush XL is a powerful yet lightweight scrubbing tool that can be used for a huge variety of scrubbing tasks.

The XL is a compact unit with rechargeable battery located in the handle which can be easily removed for charging. Spare batteries are available to enable continuous cleaning capability.

With an adjustable head, and a twistable, extendable handle, the iVo Power Brush XL can get into any angle or position for powerful cleaning, even below your feet or above your head.

Available as a complete kit, the XL comes with a variety of attachments and an iVo storage bag to hold it all together.

See the short video above and watch the iVo Power Brush in action!
