

IVO Spraymax30 Replacement Lance Trigger

Variant code: 16-ISMRT

The **IVO SprayMax 30 Replacement Lance Trigger Assembly** is a genuine replacement spray lance handle designed specifically for the **IVO SprayMax 30 battery-powered pressure sprayer**. Engineered to restore smooth and reliable spray operation, the trigger assembly provides precise control over chemical application, ensuring consistent spray performance across a wide range of professional cleaning tasks.

Manufactured from durable, chemical-resistant materials, the replacement lance trigger is designed to withstand the demands of daily commercial use. Its ergonomic grip offers comfortable operation during prolonged spraying, while the robust trigger mechanism allows accurate control of spray delivery for efficient application of cleaning chemicals, disinfectants and pre-sprays.

Quick and easy to install, this genuine IVO replacement part helps minimise equipment downtime and extends the service life of your SprayMax 30 sprayer. It is the ideal solution for replacing damaged or worn trigger assemblies while maintaining the reliable performance expected from IVO professional spraying equipment.

Product Features

- Genuine replacement lance trigger assembly
- Designed specifically for the IVO SprayMax 30
- Ergonomic trigger handle for comfortable operation
- Provides precise spray control
- Chemical-resistant construction
- Durable commercial-grade design
- Quick and easy to install
- Ideal for routine maintenance and repairs

Product Benefits

- **Restores accurate and reliable spray control**
- **Extends the service life of the**

SprayMax 30 sprayer

- **Reduces equipment downtime with quick replacement**
- Comfortable ergonomic design improves operator control
- Durable construction withstands demanding commercial use
- Chemical-resistant materials ensure long-lasting performance
- Maintains consistent application of cleaning solutions
- Genuine IVO replacement part for guaranteed compatibility

Technical Characteristics

- Product Type: Replacement Lance Trigger Assembly
- Compatibility: IVO SprayMax 30 Battery Powered Pressure Sprayer
- Material: Heavy-Duty Chemical-Resistant Plastic
- Function: Spray Control and Chemical Application
- Installation: Direct Replacement
- Construction: Commercial-Grade Design
- Application: Professional Cleaning and Chemical Spraying
- Genuine IVO Replacement Accessory

Applications

The **IVO SprayMax 30 Replacement Lance Trigger Assembly** is ideal for **commercial cleaning contractors, facilities management teams, carpet cleaning specialists, healthcare facilities, schools, hotels and industrial cleaning professionals** using the **IVO SprayMax 30 battery-powered pressure sprayer**.
