Jeyes Professional Advanced Stain Extractor - 10L

Variant code: 08-YLD9

Jayes concentrated Advanced Stain Extractor? is for use through a Jeyes Engineer fitted dosing system.

Advanced Stain Extractor is one of the core products which brings your laundry to life looking and smelling fresh.

Boosts performance of Jeyes non-biological detergent on coloured stains.

Mild on fabrics, in turn increasing the life of the garment.

Replaces the need for aggressive destainers.
