Jeyes Professional Low Temperature Destainer - 10L

Variant code: 08-YLD6

Jeyes professional destainer works alongside laundry liquid in the washing machine to remove tough stains at low temperatures.

With effective stain removal at just 40°C, restaurants, hotels, care homes and hospitality settings can be confident that their towels, napkins and bedding will be sparkling clean.

Safe to use on coloured fabrics, this versatile destainer can also be used to pre-soak items with heavier stains.

Features:

- Professional destainer
- Removes stains from laundry
- Effective stain removal at 40°C
- Safe to use on coloured fabric
- Use with detergent or as a pre-soak treatment
