Jumbo Toilet Rolls - White - 2 Ply - 300m - 76mm Core - Case of 6

Variant code: 01-532

Jumbo Toilet Rolls are high-capacity **2 ply toilet tissue rolls** designed to deliver reliable and economical washroom performance in busy commercial and public environments. Manufactured for high-traffic facilities, these jumbo rolls help reduce maintenance requirements while providing a comfortable and hygienic user experience.

Each roll provides an extended **300 metre length**, significantly reducing refill frequency compared to standard toilet rolls and supporting efficient washroom management. The **2 ply white tissue** construction delivers a balance of softness, absorbency and durability for dependable everyday performance. Designed with a standard **76mm core**, the rolls are compatible with most jumbo toilet roll dispensers commonly used across commercial washrooms, hospitality venues and public facilities.

Supplied in a practical **case of 6 rolls**, these jumbo toilet rolls provide a cost-effective solution for environments where continuous availability, hygiene and operational efficiency are essential. Their high-capacity format helps reduce downtime for replacements while supporting professional washroom presentation standards.
