

Jumbo Toilet Rolls – White – 2 Ply – 300m – 60mm Core – Case of 6

Variant code: 01-521

Jumbo Toilet Rolls are high-capacity **2 ply toilet tissue rolls** designed to provide efficient and reliable performance in busy commercial and public washroom environments. Engineered for high-traffic facilities, these jumbo rolls help reduce maintenance demands while ensuring a comfortable and hygienic experience for users.

Each roll offers an extended **300 metre length**, significantly reducing the frequency of replacements compared to standard toilet rolls. The **2 ply white tissue** construction provides a balance of softness, absorbency and durability for dependable everyday use. Designed with a **60mm core**, the rolls are suitable for use with standard jumbo toilet roll dispensers commonly installed in offices, schools, hospitality venues and commercial washrooms.

Supplied in a convenient **case of 6 rolls**, these jumbo toilet rolls offer a cost-effective and practical washroom solution for environments where continuous availability and efficient stock management are essential. Their high-capacity format also helps reduce packaging waste and storage requirements compared to smaller individual packs.
