Jumbo Toilet Rolls - White - 2 Ply - 400m - 60mm Core - Case of 6

Variant code: 01-522

Jumbo Toilet Rolls are high-capacity **2 ply toilet tissue rolls** designed for demanding commercial washroom environments where efficiency, hygiene and reduced maintenance are essential. Manufactured using **100% recycled paper**, these jumbo rolls provide an environmentally responsible and cost-effective solution for high-traffic facilities.

Each roll delivers an extended **400 metre length**, helping minimise refill frequency and reduce operational downtime in busy washrooms. The **2 ply white tissue** construction provides dependable softness, absorbency and durability for everyday use, ensuring a comfortable and hygienic user experience. Designed with a standard **60mm core**, the rolls are compatible with jumbo toilet roll dispensers commonly used across commercial and public washroom facilities.

Recognised as one of the most economical washroom tissue systems for heavy-use environments such as tourism and hospitality venues, these jumbo toilet rolls support efficient washroom management while helping reduce waste and maintenance demands.
