Karcher HD5/12C Plus - 240v Cold Pressure Washer

Variant code: 16-HD512C

Kärcher HD 5/12 C Plus is a **compact professional cold water pressure washer** designed to deliver powerful and reliable cleaning performance across a wide range of commercial, agricultural and industrial applications. Engineered for versatility and ease of use, this robust 240V machine is ideal for cleaning vehicles, machinery, workshops, farms, equipment and exterior hard surfaces.

At the heart of the machine is a durable **3-piston axial pump**, designed to provide excellent cleaning power while ensuring a long service life under demanding operating conditions. The HD 5/12 C Plus features Kärcher's **Easy!Force trigger gun** and **Servo Control system**, allowing users to adjust pressure and water flow directly from the trigger gun for improved efficiency and operator comfort during extended cleaning sessions.

Designed with practicality in mind, the machine incorporates an **adjustable pull-out handle** for easy transport and compact storage. When extended, the handle can also be used to conveniently hold accessories during operation. A pivot-mounted hose connection helps prevent hose twisting, improving manoeuvrability and reducing operator fatigue.

Supplied with a **triple nozzle** for versatile cleaning applications and a **Dirt Blaster nozzle** for maximum cleaning power, the HD 5/12 C Plus provides exceptional cleaning performance straight out of the box. Backed by a **1-year manufacturer's warranty**, it offers a dependable solution for professional users requiring efficient and reliable pressure washing equipment.

Product Features

- **Professional 240V cold water pressure washer**
- Durable **3-piston axial pump**
- Kärcher **Easy!Force ergonomic trigger gun**
- **Servo Control** for pressure and flow adjustment
- Adjustable pull-out transport handle
- Pivot-mounted hose connection

prevents hose twisting
- Includes **Triple Nozzle** and **Dirt Blaster Nozzle**
- 1-year manufacturer's warranty

Product Benefits

- **Provides powerful cleaning performance across multiple applications**
- **Adjustable pressure and flow improve cleaning efficiency**
- **Long-life pump design enhances reliability and durability**
- Easy transportation and compact storage
- Reduces operator fatigue with ergonomic controls
- Suitable for demanding commercial and industrial environments

Technical Characteristics

- Power Supply: **240V**
- Pressure Washer Type: **Cold Water**
- Pump Type: **3-Piston Axial Pump**
- Trigger Gun: **Easy!Force**
- Pressure Control: **Servo Control**
- Includes Triple Nozzle and Dirt Blaster
- Adjustable pull-out transport handle
- Pivot-mounted hose connection
- Warranty: **1 Year**

Applications

Kärcher HD 5/12 C Plus is ideal for **farms, workshops, vehicle cleaning operations, machinery maintenance, facilities management, property maintenance and commercial cleaning contractors**. Suitable for cleaning **cars, vans, agricultural equipment, machinery, workshops, building exteriors, hard surfaces and outdoor areas**, it provides a versatile and reliable solution for professional pressure washing tasks.

Property	Value
Colour	anthracite
Weight (kg)	27 (including packaging)
Accessories Included with Machine	EASY!Force Spray Gun, EASY!Force Spray Gun, High-Pressure Hose DN 6, 200 bar, 840 mm Spray Lance, Dirt Blaster
Voltage	230 V

Tel: 01626 355177
