Katrin Classic M2 Hand Towel Rolls - White - 2 Ply - 152m - Case of 6

Variant code: 01-481911

Katrin Classic M2 Hand Towel Rolls are high-capacity **2 ply hand towel rolls** designed to provide reliable, hygienic and efficient hand drying in professional washroom environments. Developed for busy commercial facilities, these towel rolls combine strong absorbency with long roll length to help reduce maintenance requirements and improve user satisfaction.

Each roll provides an extended **152 metre length**, helping minimise refill frequency and support efficient washroom management in high-traffic environments. The **2 ply construction** offers excellent strength and absorbency for effective hand drying, while the controlled dispensing system helps reduce waste and improve hygiene standards. Designed for use with compatible **Katrin M2 hand towel dispensers**, these rolls provide reliable everyday performance across offices, hospitality venues, healthcare facilities and food preparation environments.

Manufactured from high-quality paper and approved for **direct food contact**, these hand towel rolls are also suitable for kitchens, catering operations and food processing areas where hygiene compliance is essential.
