

Katrin Classic Z-Folded Hand Towels – 2 Ply M2 – Case of 4000

Variant code: 01-61570

Katrin Classic Z-Fold Hand Towels 2 Ply M2 – Case of 4000

Specifically designed for efficiency and hygiene, this bulk case of 4000 towels is the **ideal washroom solution** for businesses, schools, healthcare facilities, and high-traffic public areas.

Key Features for Quality & Efficiency

- **Premium 2-Ply Quality:** Experience the perfect balance of **softness and strength**. The **absorbent 2-ply material** ensures **quick, effective hand drying**, often needing only *one towel per use*.
- **Hygienic Z-Fold Dispensing:** The interlocking **Z-Fold (or Interleaved/Zig Zag) design** ensures **non-stop, single-sheet dispensing**. This **hygienic system** prevents cross-contamination and dramatically **reduces towel consumption and waste**, making it a highly **cost-effective hand towel choice**.
- **Massive Bulk Value (Case of 4000):** This large case includes 25 packs of 160 towels each, providing a **long-lasting supply** and excellent **wholesale value** for all your professional cleaning and washroom needs.
- **Eco-Conscious Choice:** These **environmentally friendly paper towels** are certified with both the **EU Ecolabel** and the **Nordic Swan Ecolabel**. The "GREEN PACK" film packaging is also 100% recyclable, containing at least 30% recycled content. Choose a product that supports a sustainable washroom.
- **Comfort & Safety:** Featuring a unique "windmill" embossing for enhanced softness and absorption, the towels are also **dermatologically tested** for gentle use, even on sensitive skin. Approved for **short-term contact with food**, they are also perfect for catering and food preparation environments.
- **Effortless Handling:** The **Handy Pack**

format features an ergonomic grip, making the **bulk hand towel** easy to carry, store, and refill into compatible dispensers.
