

Katrin Fresh Foam Soap – Foam Hand Wash – Case of 6 x 1L

Variant code: 10-86450

Katrin Fresh Foam Soap is a **premium foam hand wash** designed to provide effective hand cleansing while delivering a pleasant and refreshing user experience. Manufactured by Katrin, this high-quality foam soap combines skin-friendly ingredients with environmental responsibility, making it ideal for professional washrooms, offices, healthcare facilities and public environments where frequent hand washing is required.

Featuring **refreshing green notes with a mild birch wood fragrance**, Katrin Fresh Foam Soap transforms everyday hand washing into a more enjoyable experience. The rich, stable foam spreads easily across the hands, providing effective cleansing while leaving the skin feeling soft, moisturised and refreshed after use. Its **low pH formulation** helps maintain the skin's natural balance, making it particularly suitable for regular and frequent use.

The carefully selected ingredients have been chosen not only for their cleansing performance and skin compatibility but also for their reduced environmental impact. The soap contains mild ingredients suitable for sensitive skin and has been **dermatologically tested and approved**. The environmentally conscious formulation is supported by both the **Nordic Swan Eco Label** and **EU Ecolabel certification**, demonstrating its commitment to sustainability.

Each **1L cartridge provides up to 2,500 portions**, helping reduce refill frequency and supporting efficient washroom management. Supplied in recyclable containers and designed for use with compatible Katrin dispensing systems, it offers a practical and environmentally responsible hand hygiene solution.

Product Features

- **Premium foam hand wash** with mild birch wood fragrance
- Rich, stable foam for effective hand cleansing
- **Low pH formulation** that is gentle on skin

- Provides up to **2,500 portions per 1L cartridge**
