

Katrin Fresh Foam Soap – Foam Hand Wash – Case of 12 x 500ml

Variant code: 10-954281

Katrin Fresh Foam Soap is a **premium foam hand wash** designed to provide effective everyday hand cleansing while delivering a pleasant and refreshing washroom experience. Manufactured by Katrin, this high-quality foam soap combines skin-friendly ingredients with environmentally responsible credentials, making it suitable for professional washrooms, healthcare facilities, offices and public environments.

Infused with **refreshing green notes and a mild birch wood fragrance**, Katrin Fresh Foam Soap transforms routine hand washing into a more enjoyable experience. The rich, stable foam spreads easily across the hands, providing excellent coverage and effective cleansing while leaving the skin feeling soft, moisturised and refreshed. Its **low pH formulation** helps support the skin's natural balance, making it ideal for frequent daily use.

The carefully selected ingredients are chosen for both their cleansing performance and their low environmental impact. The formulation contains mild ingredients suitable for sensitive skin and has been **dermatologically tested and approved**. The product is also certified under the **Nordic Swan Eco Label** and **EU Ecolabel**, demonstrating its commitment to sustainable hygiene solutions.

Each **500ml cartridge provides up to 1,250 portions**, helping reduce refill frequency and supporting efficient washroom management. Supplied in recyclable containers and designed for use with compatible Katrin foam soap dispensers, it offers a practical and environmentally conscious hand hygiene solution.
