

Katrin M2 Ultima – Hand Towel Roll – White – 2 Ply – 160m – Case of 6

Variant code: 01-472

Katrin M2 Ultima Hand Towel Rolls are premium-quality **2 ply hand towel rolls** designed to deliver hygienic, efficient and comfortable hand drying in demanding commercial washroom environments. Developed for high-traffic facilities, these high-capacity towel rolls combine excellent absorbency with reliable dispensing performance to support professional hygiene standards.

Each roll provides an extended **160 metre length**, helping reduce refill frequency and minimise maintenance time in busy washrooms. The **2 ply paper construction** offers enhanced absorbency and strength for effective hand drying, while the system design ensures **zero wastage** by fully utilising the entire roll. Designed for seamless compatibility with **Katrin M2 hand towel dispensers**, the rolls support controlled dispensing to improve hygiene and reduce unnecessary consumption.

Supplied in a convenient **case of 6 rolls**, Katrin M2 Ultima Hand Towel Rolls provide a cost-effective and dependable solution for offices, restaurants, healthcare facilities and other commercial environments requiring high-performance washroom consumables.
