Katrin System 800 - Toilet Roll - 100m - 43mm Core - Case of 36

Variant code: 01-66940

Katrin System 800 Toilet Rolls are high-capacity toilet tissue rolls designed to provide efficient, hygienic and reliable washroom performance in busy commercial environments. Developed for use with compatible **Katrin System 800 dispensers**, these rolls support controlled dispensing while helping reduce maintenance requirements and operational downtime.

Each roll offers an extended **100 metre length**, helping minimise refill frequency and improve washroom efficiency in high-traffic environments. Designed with a **43mm core**, the rolls ensure smooth and reliable compatibility with Katrin System 800 dispensing systems. The controlled dispensing format helps reduce unnecessary waste while supporting improved hygiene standards by limiting direct contact with the tissue rolls.

Supplied in a practical **case of 36 rolls**, Katrin System 800 Toilet Rolls provide a dependable and cost-effective washroom solution for offices, schools, restaurants and commercial facilities where continuous availability and efficient maintenance are essential.

Product Features

- **High-capacity toilet tissue rolls**
