

## Toilet Roll – Katrin System 800 – 100m – 43mm Core – Case of 36

**Variant code: 01-66940**

This high-capacity toilet tissue offers exceptional value and efficiency, perfect for busy environments like offices, schools, restaurants, and commercial spaces.

### Key Features for Optimal Hygiene & Cost-Effectiveness:

- **High Capacity 100m Rolls:** Each roll provides a generous **100 meters** of reliable toilet tissue, significantly reducing the need for frequent replacements and minimizing maintenance time.
- **Efficient System 800 Design:** Specifically designed for use with **Katrin System 800 dispensers**, ensuring controlled dispensing and reducing waste. This system promotes better hygiene by minimizing contact with the rolls.
- **Standard 43mm Core:** The **43mm core** ensures compatibility with Katrin System 800 dispensers for smooth and hassle-free operation.
- **Bulk Case of 36:** This cost-effective **case of 36 toilet rolls** offers a long-term supply solution, saving you time and money on frequent reordering. Ideal for businesses looking for **bulk toilet roll** options.
- **Reliable Quality:** Made for everyday use, providing a comfortable and hygienic experience for users. (While specific ply isn't stated, Katrin is a reputable brand known for quality).
- **Ideal for High-Traffic Areas:** The long roll length and system dispensing make this toilet roll a perfect choice for **high-traffic washrooms** where efficiency and reduced maintenance are crucial.

### Why Choose Katrin System 800 Toilet Roll?

The **Katrin System 800 Toilet Roll** offers a

practical and economical solution for maintaining clean and well-equipped washrooms. Its high capacity, compatibility with efficient dispensing systems, and bulk packaging make it an ideal choice for businesses and organisations looking for reliable and cost-effective **toilet tissue**.
