Katrin System 800 - Toilet Roll - Eco - 92m - Case of 36

Variant code: 01-103424

Katrin System 800 Eco Toilet Rolls are high-capacity toilet tissue rolls designed to deliver efficient, hygienic and environmentally responsible washroom performance in busy commercial environments. Developed for use with compatible **Katrin System 800 dispensers**, these rolls provide controlled dispensing and reliable everyday performance while helping reduce maintenance requirements.

Each roll offers an extended **92 metre length**, helping minimise refill frequency and improve operational efficiency in high-traffic washrooms. Manufactured using sustainable materials, the Eco range supports environmentally conscious washroom management without compromising on comfort or durability. The tissue is designed to provide a balance of softness and strength for a comfortable user experience while maintaining dependable performance in demanding professional environments.

Supplied in a convenient **case of 36 rolls**, Katrin System 800 Eco Toilet Rolls provide a practical and cost-effective solution for offices, schools, hospitality venues and other commercial facilities requiring reliable and hygienic washroom consumables.
