

Katrin System 800 – Toilet Roll – Eco – 92m – Case of 36

Variant code: 01-103424

Upgrade your washroom with the **Katrin System 800 Eco Toilet Roll**. This high-capacity, **eco-conscious toilet paper** solution is perfect for busy environments, offering exceptional value and reducing maintenance needs. Each roll boasts an impressive **92 meters** of soft yet strong, **sustainable toilet tissue**, minimising the frequency of replacements.

This bulk **case of 36 toilet rolls** ensures you have a reliable supply, making it ideal for offices, schools, restaurants, and other commercial spaces across the UK. The **Katrin System 800** is designed for use with compatible Katrin dispensers, promoting hygiene and controlled usage, ultimately saving you money and reducing waste.

Key Features & Benefits:

- **High Capacity (92m per roll):** Fewer refills needed, saving time and maintenance costs.
- **Eco-Friendly Choice:** Made with **sustainable materials**, contributing to your environmental responsibility.
- **Bulk Case of 36:** Ensures a long-lasting supply for high-traffic areas.
- **Soft and Strong:** Provides user comfort without compromising on durability.
- **System Compatibility:** Designed for use with **Katrin System 800 dispensers** for optimal hygiene and controlled dispensing.
- **Cost-Effective:** Bulk purchase offers excellent value for money.
- **Ideal for Commercial Use:** Perfect for offices, schools, hospitality, and more.
- **Reliable Quality:** From a trusted brand in professional hygiene.
