Variant code: 01-460218

Katrin System Towel M Blue 1 Ply Hand Towel Rolls – Efficient & Hygienic Hand Drying for Businesses (Case of 6)

Key Benefits for Your Business:

- **Hygienic and Effective Hand Drying:** Provide a clean and absorbent solution for hand drying with these 1-ply blue hand towel rolls made from recycled fiber paper.
- **Optimised for Katrin System Dispensers:** Designed for seamless use with Katrin Inclusive System Towel Dispensers, ensuring efficient dispensing and a high sheet count of **895 sheets per roll**.
- **Reduced Waste & Cost Savings:** The roll design ensures **zero wastage** by utilising all the paper. Controlled dispensing through the Katrin system further minimises consumption and lowers operational costs.
- **High Capacity, Less Refills:** Each roll contains a **large 200m length** of paper, reducing the frequency of refills and minimising maintenance time, especially in **medium to high traffic washrooms**.
- **Ideal for Food Handling Environments:** The distinctive **blue colour** of these hand towels makes them **particularly suitable for food handling areas**, ensuring easy traceability and compliance with hygiene standards.
- **Soft and Strong Performance:** Despite being 1-ply, these towels offer a balance of softness for user comfort and strength for effective drying.
- **Environmentally Conscious Choice:** Made from **absorbent recycled fibre paper** and **certified under the Nordic Swan Eco Label**, demonstrating your commitment to sustainability.
- **Food Contact Approved:** These hand towels are **approved for short-term contact with food**, adding to their versatility in various business settings.
