

Toilet Roll Dispenser – Katrin – Twin – Plastic – White

Variant code: 28-953470

The **Katrin Twin Toilet Roll Dispenser** is a practical and stylish solution for commercial and public washrooms, designed to hold **two conventional toilet rolls** for continuous paper availability. Compatible with toilet rolls up to **115mm wide**, the twin-roll configuration helps reduce the risk of paper running out between routine washroom servicing.

Manufactured from **durable ABS plastic**, the dispenser provides a robust and reliable solution for long-term commercial use. A convenient **inspection window** allows cleaning and maintenance staff to quickly monitor paper levels and identify when refilling is required, helping simplify everyday washroom management.

The dispenser features a **switchable roll holder**, allowing installation in both **left and right-hand corners** for greater positioning flexibility. It is **quick to install and reload**, while the **lockable design** helps protect the toilet rolls against tampering and misuse. Its **matte white finish** provides a clean appearance suitable for a wide variety of washroom environments.
