

Kerstar K1 Vacuum Bags

Variant code: 16-SDB308

Kerstar K1 Vacuum Bags are **high-quality replacement paper dust bags** designed for **compatible Kerstar vacuum cleaners using K1 size bags**. Engineered to provide reliable dust collection and efficient filtration, these replacement bags help maintain strong suction performance while ensuring hygienic disposal of collected dirt and debris.

Manufactured from durable paper filtration material, the bags effectively capture dust, dirt and everyday dry debris while maintaining consistent airflow throughout the vacuum cleaner. Their robust construction supports dependable cleaning performance, protects the vacuum's filtration system and helps extend the operational life of compatible machines.

Ideal for routine vacuum maintenance, these replacement paper dust bags are easy to install and replace, helping minimise downtime and maximise cleaning efficiency. Regular bag replacement ensures optimum suction performance and contributes to cleaner indoor air quality in commercial and industrial environments.
