

KGS Flexis® Diamond Floor Pads 17" Fine 1500 Yellow – Box of 2

Variant code: 03-D17F

KGS Flexis Diamond Floor Pads are **professional floor cleaning and polishing pads** designed to maintain and enhance the appearance of hard floors. Featuring advanced **Ferrzon®+ microcrystal technology**, the Fine 1500 Yellow pad provides effective cleaning and polishing while producing a clear, reflective shine.

The **Fine 1500 Yellow pad** is the third stage of the KGS Flexis four-step floor maintenance system. Suitable for both daily cleaning and polishing, it helps improve floor brightness and achieve a **medium-gloss finish** while preparing surfaces for the final 3000 grit polishing stage.

Designed for use with compatible **rotary floor machines and scrubber driers**, the pad works effectively with water alone, reducing the need for chemical cleaning products. Its durable construction provides consistent cleaning and polishing performance across a wide range of suitable hard floors.
