

KGS Flexis® Diamond Floor Pads 17" – Course 400 – Red – Box of 2

Variant code: 03-D17C

The red pad is mainly used for heavy duty surface renovation.

It is intended for deep cleaning and as a good starting point for the rest of the process.

Used for rough, greasy or very dirty surfaces, or as a process starter and occasional use.

KGS Flexis pads are designed to be the ultimate in daily cleaning and polishing of virtually any hard floor without chemicals.

Made with Ferrzon®+ microcrystal technology, they produce cleaner and shinier floors in less time.

Getting the correct floor pad:

Red – It's a mild floor cleaning pad. Often recommended for use by flooring manufacturers for Scrubber Dryers as there is no risk of it damaging the floor or coating – use with slow or high speed cleaning machine or Scrubber Dryer (100–500 rpm)
