KGS Flexis® Diamond Floor Pads 17" - Ultra Fine - Beige - Box of 2

Variant code: 03-D17UF

KGS Flexis Diamond Floor Pads are professional floor cleaning and polishing pads designed to maintain and enhance the appearance of hard floors. Manufactured using **Ferrzon®+ microcrystal technology**, the Ultra Fine Beige pad delivers gentle buffing action to produce an exceptional high-gloss finish without aggressive abrasion.

The **Ultra Fine Beige pad** is designed for final polishing and regular maintenance of delicate floor finishes. Its very mild cleaning action makes it particularly suitable for **waxed wooden floors and sensitive floor dressings**, helping maintain a smooth, reflective appearance without unnecessarily wearing away the protective finish.

Ideal for **high-speed buffing machines operating between 350–500 rpm**, the pad can be used for wet or dry buffing to produce a deep, wet-look shine. Regular use helps maintain and improve the appearance of polished floors, making it an excellent choice for professional floor maintenance.

Product Features

- **Ferrzon®+ microcrystal technology** for professional floor polishing
- **Ultra Fine grade** for gentle buffing and finishing
- Produces a **high-gloss, wet-look shine**
- Very mild action suitable for delicate floor dressings
- Ideal for maintaining waxed wooden floors
- Suitable for wet or dry buffing
- Designed for high-speed buffing machines
