# Kimberly Clark Kleenex® - Frequent Use Hand Cleanser - Case of 6 x 1L

**Variant code: 10-6333KC**

**Kimberly-Clark Kleenex Frequent Use Hand Cleanser** is a **cost-effective foam hand cleanser** designed for everyday hand hygiene in professional washroom environments. Developed by Kimberly-Clark Professional, the Kleenex range is trusted in workplaces worldwide for delivering reliable cleansing performance while helping maintain skin comfort during frequent hand washing.

Specially formulated with **no added dyes or fragrances**, this hand cleanser helps reduce the risk of skin reactions, making it suitable for a broad range of users, including those with sensitivities to perfumes and colourants. The mild formulation is recommended for **frequent use**, providing effective cleansing without unnecessarily drying the skin.

The rich foam lather spreads quickly across the hands to remove everyday dirt and contaminants while delivering a pleasant washing experience. The foam format also promotes efficient product usage, requiring less product per wash than traditional liquid soaps and rinsing away quickly to support efficient washroom operation.

Designed for use with compatible Kimberly-Clark Professional dispensing systems, the sealed cartridge format helps maintain hygiene standards while simplifying maintenance and refill procedures. Supplied in a **case of 6 x 1L cartridges**, it provides an economical and practical solution for high-traffic washroom environments.

## Product Features

- **Foam hand cleanser** for everyday professional use
- **No dyes or fragrances** to help reduce skin reactions
- Recommended for **frequent hand washing**
- Rich foam formulation for effective cleansing
