Hand Towel Rolls - Blue - 1 Ply - 180m - Case of 6

Variant code: 01-RTB200

Hand Towels Rolls 1 Ply - Blue are professional **1 ply paper hand towel rolls** designed to provide hygienic and economical hand drying in high-traffic commercial washrooms. Manufactured from recycled paper, they offer a practical combination of performance, sustainability and cost efficiency for busy facilities management environments.

Each roll provides **180 metres** of towel material, helping reduce refill frequency and maintenance time in high-use areas. Their blue colour finish makes them suitable for hygiene-sensitive environments and facilities operating colour-coded cleaning systems. The 1 ply construction supports controlled consumption and economical everyday use while still providing effective hand drying performance.

Supplied as a case of **6 rolls**, these hand towels offer a reliable bulk solution for organisations seeking consistent washroom supply and efficient stock management.
