Leonardo - 2 Ply Hand Towel Rolls - White - Case of 6x175m

Variant code: 01-RTW175

Leonardo 2 Ply Hand Towel Rolls are premium quality paper towel rolls designed to provide efficient and hygienic hand drying in professional washroom environments. Manufactured from **100% recycled pulp**, they offer an environmentally responsible solution while delivering reliable performance for high-traffic commercial facilities.

Each roll provides **175 metres** of embossed 2 ply paper, helping minimise refill frequency and reduce maintenance time in busy washrooms. The laminated and embossed construction improves absorbency, strength and user comfort, while the white finish delivers a clean and professional appearance suitable for customer-facing environments.

Supplied as a cost-effective case of **6 rolls**, these hand towel rolls provide a practical balance of hygiene, sustainability and operational efficiency for commercial washroom management.

Product Features

- **2 ply hand towel rolls** for professional washrooms
- Manufactured from **100% recycled pulp**
- Laminated and embossed construction for improved absorbency
- White paper finish for a clean professional appearance
- Roll length: **175 metres per roll**
