

Leonardo White Z-Fold Dispenser

Variant code: 28-DCWHTW

The **Leonardo Z-Fold Hand Towel Dispenser** is a practical **wall-mounted hand towel dispenser** designed for convenient and hygienic paper towel dispensing in professional washrooms. Suitable for **Z-Fold hand towels** and compatible with **all fold types**, it provides flexibility when selecting paper consumables for different washroom requirements.

Featuring a clean **white finish** and **transparent design**, the dispenser provides a professional appearance while allowing cleaning and maintenance teams to **quickly monitor remaining towel levels**. This makes routine washroom inspections easier and helps ensure replacement towels can be added before supplies run out.

The dispenser also features a **lockable construction**, helping protect the paper supply in busy public and commercial environments. Combining **versatile towel compatibility, easy stock monitoring and secure dispensing**, the Leonardo Hand Towel Dispenser is a reliable solution for maintaining efficient and well-presented washroom facilities.

Product Features

- **Wall-mounted hand towel dispenser** for professional washrooms
