Folded Hand Towels - Z-Fold - 1 Ply - Blue - Case of 3000 Sheets

Variant code: 01-HT2317

Z-Fold Folded Hand Towels are professional interfold paper towels designed to provide hygienic and cost-effective hand drying in high-traffic commercial environments. Featuring an inter-folding **Z-fold design**, each towel dispenses individually to support controlled consumption, helping reduce waste while maintaining high hygiene standards.

Designed for use in washrooms, kitchens, breakrooms and other shared facilities, these towels provide reliable drying performance with a lightly textured finish that helps improve hand drying efficiency and support effective removal of dirt and bacteria. Their blue colour makes them particularly suitable for food preparation and hygiene-sensitive environments where colour-coded systems may be used.

Supplied as a bulk case of **3000 towels**, they offer a practical and economical solution for businesses requiring consistent supply and efficient dispenser replenishment.
