

Leonardo Z-Fold Hand Towels 1 Ply – Blue – Case of 3000

Variant code: 01-HT2317

Z-Fold hand towels are inter-folding so when dispensing they present one sheet at a time, allowing controlled consumption and reducing waste. Hygienic self-presenting paper so user only touches paper to be used. Textured to give light skin exfoliation, helping to remove bacteria and improve hand hygiene. Cost effective for busy environments.
