

Folded Hand Towels – Z-Fold – 1 Ply – Blue – Case of 3000

Variant code: 01-HT2317

Ensure superior hand hygiene and cost-efficient dispensing in your business with our **Blue 1-Ply Z-Fold Hand Towels**. These inter-folding hand towels are designed for high-traffic areas, providing a hygienic and waste-reducing solution for restrooms, kitchens, and breakrooms.

Key Features & Benefits:

- **Inter-Folding Z-Fold Design:** Each towel interlocks with the next, ensuring **single-sheet dispensing**. This controlled consumption minimises waste and reduces overall costs.
- **Hygienic Self-Presentation:** Users only touch the towel they intend to use, promoting a more sanitary environment and reducing the risk of cross-contamination.
- **Lightly Textured for Enhanced Hygiene:** The subtle texture aids in gentle skin exfoliation, effectively helping to remove dirt and bacteria for improved hand hygiene.
- **Cost-Effective Solution:** This bulk case of **3000 blue 1-ply Z-fold hand towels** offers exceptional value for businesses with high usage demands.
- **Space-Saving & Convenient:** The folded design allows for efficient storage and easy refilling of compatible hand towel dispensers.
- **Ideal for Busy Environments:** Perfect for offices, restaurants, schools, healthcare facilities, and any commercial setting requiring reliable and economical hand drying.

Optimise your workplace hygiene and reduce operational costs with our reliable and efficient Blue 1-Ply Z-Fold Hand Towels. Order your case of 3000 today!
