

Lindhaus Dymnamic 380E Upright Vacuum Cleaner

Variant code: 16-LH3301

The Lindhaus Dynamic 380e vacuum cleaner is lightweight and easy to use. It has an electronic control which correctly regulates the height of the brush roller and provides for a soft start whilst keeping it at a constant speed.

The Lindhaus Dynamic 380e is great for any sized carpeted areas like:

- Hotel Rooms
- Corridors
- Showrooms
- Stores
- Restaurants
- Cinemas

Easy and simple maintenance, no tools are required when replacing the brush roller or cleaning the base housing.

For safety, the motor will stop immediately when the brush roller gets blocked to avoid damaging and clogging the belt and moving parts.

The Lindhaus has a patented dry cleaning system, allowing you to dry clean carpets and rugs easily. Use the red adaptor to cover the vacuum hole and brush the powder deep into the carpets, before changing the tools and vacuuming again. The mechanical action of the brush at 5000 rpm together with the Lindhaus cleaning solutions provide deep cleaning action which leaves your carpets and rugs soft, clean and sanitised.
