

Nova Liquid 99 Liquid Cleanser – 5L

Variant code: 03-260

A super-concentrated, biodegradable liquid cleaner for use on floors, walls and other hard surfaces.

A powerful, effective multipurpose cleaner that can be used with:

- a sprayer,
- steam-cleaning equipment,
- floor scrubbing machines,
- mopping systems or
- simply as a washing solution.

It penetrates and emulsifies dirt and grease, releasing them from the surface.

Suitable for use in both hot and cold/hard or soft water water
