Luxury Blue Foam Soap - 6x800ml Pouches - Modu Hygiene

Variant code: HS70.50.96

Windmill Touch Clean Perfumed Clear Foaming Hand Soap is a **premium foaming hand cleanser** developed for professional washroom environments where effective hand hygiene and user comfort are essential. Supplied as a **case of 6 x 800ml pouches**, this luxurious foam soap produces a rich, creamy lather that effectively removes everyday dirt and grime while leaving hands feeling clean, soft and refreshed.

Also known as **Touch Luxury Blue Foam Soap**, this gentle formulation is enriched with **glycerin** to help maintain the skin's natural moisture balance, making it suitable for frequent daily hand washing. The pleasantly perfumed formula delivers a fresh, clean fragrance while producing a luxurious foam that rinses away easily without leaving a sticky residue.

Designed for use with compatible **800ml foam soap dispensers**, the sealed pouch system provides hygienic dispensing, controlled dosing and reduced product waste. The easy-to-replace pouches simplify washroom maintenance while ensuring a consistent supply of high-quality foam soap.

Ideal for busy commercial washrooms, Windmill Touch Clean Perfumed Clear Foaming Hand Soap offers an economical, hygienic and skin-friendly hand washing solution for a wide range of professional environments.
