

Hand Towels – Luxury Interfold – 2 Ply – White – Case of 3200

Variant code: 01-388

For those wanting a more pleasurable hand drying experience (yes, there is such a thing!) this towel is very soft. The absorbent tissue plies have been glued together and micro-embossed to produce a luxurious towel that quickly dries wet hands. Softer towels are recommended for staff who have to wash their hands frequently during the day.

Like all interfold towels, it dispenses easily, presenting a new flap to the next user, and offers excellent value for money. Ideal for offices, surgeries, hotels and restaurants.

Formerly 01-346 code.
