

Luxury Interfold Hand Towels – 2 Ply – White – Case of 3200

Variant code: 01-388

Luxury Interfold Hand Towels are premium-quality **2 ply folded hand towels** designed to provide exceptional comfort, hygiene and efficient hand drying in professional washroom environments. Developed for businesses seeking a superior washroom experience, these luxury towels combine soft texture, excellent absorbency and hygienic dispensing performance.

Manufactured using bonded and **micro-embossed 2 ply tissue**, the towels provide rapid and effective hand drying while maintaining a soft and comfortable feel for users. The **interfold dispensing format** ensures hygienic single-sheet presentation, helping reduce cross-contamination, minimise waste and improve washroom efficiency. Their premium-quality construction makes them particularly suitable for environments where presentation and user experience are important.

Supplied in a convenient **case of 3200 towels**, these luxury hand towels provide a cost-effective and practical solution for busy commercial washrooms while supporting tidy storage and organised dispenser refilling. Previously known as **Code 01-346**, the towels continue to deliver dependable performance across a wide range of professional applications.
