Mastervac Dust Bags: For Mastervac 12

Variant code: 16-SDB316

Mastervac Dust Bags are **high-quality replacement dust bags** designed specifically for the **Mastervac MV12 Compact Vacuum Cleaner**. Engineered to provide efficient dust collection and reliable filtration, these replacement bags help maintain strong suction performance while ensuring hygienic disposal of collected dirt and debris.

Manufactured from durable filtration material, the bags effectively capture dust, dirt and everyday dry debris while maintaining consistent airflow throughout the vacuum cleaner. Their robust construction helps reduce the risk of splitting during use, supporting dependable cleaning performance and protecting the vacuum's internal filtration system.

Suitable for routine maintenance of the Mastervac MV12, these replacement dust bags are easy to install and replace, helping minimise downtime and maximise machine efficiency. Regular bag replacement ensures optimum suction performance and contributes to cleaner indoor air quality.
