Mastervac Paper Dry Use Dust Bags: For Wetmaster 23B - Pack of 5

Variant code: 16-MV03979

Mastervac Paper Dry Use Dust Bags are **replacement dust collection bags** designed specifically for the **Mastervac Wetmaster 23B Vacuum Cleaner**. Engineered for dry vacuuming applications, these paper dust bags provide effective dust retention and hygienic waste collection, helping maintain optimum vacuum performance during everyday cleaning tasks.

Manufactured from durable paper filtration material, the bags efficiently capture dust, dirt and dry debris while allowing consistent airflow through the vacuum system. Regular replacement helps maintain suction performance, protects the vacuum's filtration system and supports cleaner working environments.

Supplied as a convenient **pack of 5**, these replacement dust bags offer a practical and cost-effective solution for routine maintenance of the Mastervac Wetmaster 23B. Easy to install and remove, they help minimise downtime and ensure reliable cleaning performance.

Product Features

- Replacement paper dust bags for Mastervac Wetmaster 23B
- Designed for dry vacuuming applications
- Durable paper filtration construction
- Efficient dust and debris collection
- Maintains airflow and suction performance
- Supports hygienic waste disposal
- Easy to install and replace
- Supplied as a pack of 5

Product Benefits

- **Provides reliable dust collection performance**
- **Helps maintain optimum vacuum suction and airflow**
- **Supports hygienic disposal of collected debris**
- Helps protect the vacuum filtration system
