Melamine Plus Deep Clean Floor Pad - Grey/White - 20"

Variant code: 03-MP20

Melamine Plus Deep Cleaning Floor Pad is a **heavy-duty floor maintenance pad** designed to remove stubborn dirt, ingrained grime and surface build-up from hard floors. Its specialist melamine construction delivers effective deep cleaning using water alone.

Ideal for **safety flooring, anti-slip surfaces and heavily soiled floors**, the pad helps lift embedded dirt from textured surfaces where conventional cleaning pads may struggle.

Suitable for compatible rubber, concrete, tiled and linoleum floors, the pad can also remove existing floor coatings. For optimum results, **dampen before use** and operate with a compatible low-speed floor cleaning machine.

Product Features

- **Heavy-duty melamine construction** for deep cleaning
- Removes stubborn dirt, grime and surface build-up
- Effective cleaning using **water alone**
- Ideal for safety and anti-slip flooring
- Suitable for various hard floor surfaces
- Compatible with low-speed rotary floor machines

Product Benefits

- Provides effective cleaning on heavily soiled floors
- Reduces reliance on chemical detergents
- Helps restore the appearance of textured flooring
- Removes embedded dirt from difficult surfaces
- Supports efficient professional floor maintenance
- Suitable for periodic intensive cleaning

Technical Characteristics

- **Material:** Melamine
- **Colour:** Grey/White
- **Cleaning method:** Wet cleaning
- **Machine type:** Low-speed rotary floor
